Specifications

Attribute	Description
Physical Form	Red Liquid
Odor	Neutral
Solubility	Complete in Water
Foam	Moderate-High
Viscosity	Water-like
pH (typical)	13-13.5
Flash Point	Not Applicable

Available In:

5 GAL, 55 GAL, BULK

DOT Classification:

Regulated

HCS-400

Tech Data Sheet

HCS-400 is a high alkaline cleaner designed to remove grease, oil, carbon stain and burned on grease and oils. HCS-400 is an excellent cleaner for smoke houses and rendering plants. HCS-400 removes diesel soot and cleans aluminum rails on semi-trailers. HCS-400 is also an excellent cleaner for heavy equipment.

Benefits

- Excellent degreasing and soot removal
- Breaks down heavy animal fats and oils
- Safe for use with most pressure washers
- Biodegradable
- Excellent foaming qualities when applied through a foamer
- High quality surfactant package penetrates and emulsifies soil for easy removal

Applications

- Aggressive Step 1 in the 2-Step wash process
- Removes rust
- Brightens & whitens aluminum
- Effective at removing iron and mineral deposits

Precautions

- This product contains sodium hydroxide
- DO NOT use directly on painted surfaces as it may dull the paint. Dilute product, then test in an inconspicuous spot. Be sure to rinse thoroughly
- DO NOT use on polished aluminum

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap Concentration may be adjusted to compensate for changes in these conditions.
